Short Description of the Project

11 universities joining forces to bring together academics and students from all V4 countries and Ukraine to conduct joint research, share knowledge, engage different generations to bring about innovative ideas to promote enhanced cooperation in economic and political spheres and thus support the Ukrainian society in their European integration process.

The project is co-financed by the governments of Czechia, Hungary, Poland and Slovakia through Visegrad Grants from the International Visegrad Fund. The mission of the fund is to advance ideas for sustainable regional cooperation in Central Europe.
