

The Three Seas Leaders School is an international project organized by the **Warsaw School of Economics** for students aged 18-26.

Business

Social Activity

Civic Policy

TSLS is a project addressed to young leaders in the areas of: **business, social activity and civic policy** from 12 countries of the Three Seas Initiative. Our intense summer bootcamp is a place where young and aspiring leaders can build a strong, **international peer network, exchange experiences and face challenges of the future** - together.

The initiative will consist of:

Remote Module

1-14 August 2022

2 thematic modules of workshops conducted though an e-learning platform

Week 1

15 - 21 August 2022

workshops aimed at improving the participants' competences, which will be conducted by experts from academia and business from all over the region

Week 2

15 - 21 August 2022

dealing with the current socio-economic problems of the region, designing solutions in interdisciplinary teams, working on the final report

In their free time, participants will have an opportunity of engaging in cultural and social activities, including a two-day trip to Cracow.

The recruitment process will be conducted in English and will consist of:

- May 1 - May 31, 2022
