

## INTERNATIONAL JOINT CROSS-BORDER PHD PROGRAMME IN

### **INTERNATIONAL ECONOMIC RELATIONS AND MANAGEMENT (ECO)**

- In cooperation with esteemed universities
- Academic Degree PhD in International Relations and Management
- Part-time study
- Duration 3 years up to 6 years
- Tuition fees are defined by the Consortium
- Programme Language English

#### PARTNER UNIVERSITIES

- University of Economics in Bratislava, Faculty of International Relations, Bratislava, Slovakia
- Czech University of Life Sciences, Faculty of Economics and Management, Prague, Czech Republic
- University of Sopron, Alexandre Lamfalussy Faculty of Economics, Sopron, Hungary
- University of Mostar, Mostar, Bosnia and Herzegovina
- Juraj Dobrila University of Pula, Faculty of Economics and Tourism „Dr. Mijo Mirković”, Pula, Croatia
- University North, Varaždin, Croatia

The joint PhD programme as interdisciplinary cross-border, international science- and research-oriented doctoral programme is innovative in terms of structure and organisation, comparable to the best cross border PhD programmes within the EU.

The partner universities are highly esteemed, highly respected and renowned foreign universities with accreditation from both national and international bodies, authorised to confer doctoral and postgraduate degrees as well as post-doctoral qualifications.

The doctoral programme considers the needs of small cohorts of doctorate students with solid foundational knowledge across a range of specialisations, and facilitates strong collaboration between students and supervisors in their respective, broadly-based subject areas at international universities. PhD candidates can work with supervisors in their particular fields of expertise at the different partner universities and develop thorough fundamental knowledge in a number of specialisations.

#### ACADEMIC DEGREE

The joint doctoral programme was submitted to the Agency for Quality Assurance and Accreditation Austria (AQ) in accordance with § 27 para. 1 and is notified by the AQ Austria in accordance with § 27 para. 6 HS-QSG. The registration of the programme in accordance with § 27 para. 6 HS-QSG does not ascertain equivalence with Austrian study programmes and similar Austrian academic degrees.

## TARGET GROUPS AND ENTRY REQUIREMENTS

The joint PhD programm addresses candidates in qualified professional positions, preferably with backgrounds in business management or economics / in the educational or communication field who wish to obtain a doctoral degree based on advanced applied research.

Candidates for the International Joint Cross-Border PhD Programm may apply if they:

- hold a Diploma or Master's degree (5 years) or
- equivalent degree issued by an officially accredited university or institution of higher education
- submit all required application documents, including a statement of personal motivation and a description of the intended research focus.
- attain at least a C1 level of English proficiency
- successfully pass the admission process.

## APPLICATION PROCESS

The application procedure is structured around key dates for each academic year.
